If you have general questions about the District, please visit our FAQ page at geos.life/welcome or email us at info@geos.life.

RESIDENT DIRECTORY

There is also a *separate* resident directory maintained at the Geos Neighborhood resident website, geos.life. An account there allows all residents (who may be renters or other non-owners), homeowners, and those providing services to Geos residents, the ability to receive notifications and access information of interest to residents. The optional directory gives residents a way to get to know each other and contact neighbors.

Note: Updating the resident directory or the owner contact info does *not* automatically update the other. If you change addresses, you must use this form *and* update your account information at geos.life (if you had previously signed up for an account).
